

Community Resource Portal

The Portal serves as a connection point for neighborhood groups in the Valley to:

- Become informed about and work with one another
- Leverage existing human and material resources
- Effectively communicate and collaborate

Showcasing the work and wisdom of the grassroots sector of our urban core; the cities of Warren and Youngstown. The members of each group represented here bring with them a range of creative approaches, successful strategies and skill sets that can serve to be valuable tools for others doing similar resident led work. Neighborhood groups may utilize the portal to:

- Share helpful ideas, strategies and contacts with other neighborhood groups
- Maintain a web presence to which members can direct funders, stakeholders and volunteers
- Locate essential resources and develop meaningful partnerships
- Share and leverage Neighborhood SUCCESS grant practices and resources
